

REMARKS

Claims 1, 2, 4-9, and 11-23 are pending in this application.

Amendments are made to claims 13, 15, 17 and 19 to change their dependency from claim 3 (cancelled pursuant to the Examiners Amendment) to claim 1.

New claims 20 to 23 are added herein. Claim 20 is similar to former claim 3 except that claim 20 recites that the ratchet member RM is installed on the horizontal portion of the stay (114) via one of the parallel members of either the tilt adjusting device (TAD) or the back and forth movement device(MD). Claim 21 is similar to former claim 4 except that a similar change has been made.

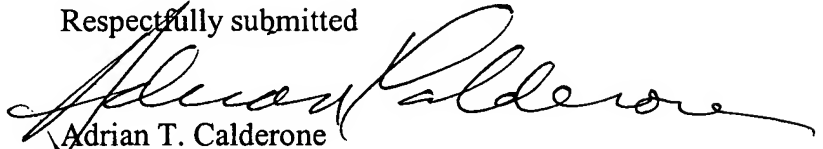

Claims 22 and 23 are similar to claims 20 and 21, respectively except that they depend from claim 2.

It is respectfully submitted that no new issues are raised. Accordingly, entry of the amendment herein is respectfully requested.

CONCLUSION

For at least the reasons stated above all of the pending claims are submitted to be in condition for allowance, the same being respectfully requested.

Respectfully submitted

A handwritten signature in cursive script, appearing to read "Adrian T. Calderone".

Adrian T. Calderone
